

THIS PASSOVER, LET'S REMEMBER:
*Israel's freedom is best served by the
creation of a Palestinian state.*

The only way Israel can remain a Jewish, democratic state is to fully separate from the Palestinian territories. There is no other way.

Otherwise, the population from the Mediterranean Sea to the Jordan River will soon be only 49% Jewish.¹
And over time, the numbers only get worse.

The creation of a demilitarized Palestinian state is not a gift to the Palestinians. Rather, it ensures that each year when the Jewish people proclaim, "Next Year in Jerusalem," Israel will still be a secure, democratic, Jewish state.
